If you are firm and act together, the securities guaranteed by endorsement or otherwise will doubtless be protected in any plan of reorganization which may be proposed, or if not, then you can protect yourselves. If, on the contrary, you are indifferent and neglect this opportunity, be assured that your claims will, as far as possible, be ignored.

The Committee reminds all underlying bondholders, whether their bonds have been defaulted on or not, the fact that the very best bonds in the System were attacked in the Oldfield plan, and that all indications point to an effort to force a concession from all divisional bonds for the benefit of the holders of Terminal Bonds and Stocks.

TO THE
UNDERLYING BONDHOLDERS
—IN THE—
RICHMOND AND DANVILLE
SYSTEM.

After careful investigation and most thoughtful consideration, the Committee appointed to look after the interests of the UNDERLYING BONDHOLDERS IN THE RICHMOND AND DANVILLE SYSTEM, has concluded that it is absolutely necessary that the holders of underlying bonds, and more especially of those upon which there has been a default of interest, shall join together for the protection of their mutual interests and the enforcement of their just legal claims. The policy of the parties heretofore controlling the Richmond and Danville Company clearly indicated an interest in the Bonds and Stocks of the Richmond and West Point Terminal and Warehouse Company paramount to any they may have held in the securities of the Richmond and Danville Railroad Company, and cannot be enforced until your prior claims are satisfied.

The RICHMOND AND DANVILLE UNDERLYING BONDHOLDERS' COMMITTEE have adopted the following general plan of operation, which shall guide it in its future work:

1. That this Committee proposes to act for all the divisional bondholders of the Richmond and Danville system, omitting none, and that it will call for the pooling of the bonds of the various divisions, only, when, in the judgment of the Committee, it may be necessary in order to carry out its general purpose.

2. That in the judgement of this Committee it is for the best interests of the bondholders of the roads in the Richmond and Danville System that the integrity of the system should be preserved, and that, if it should become necessary to sell the property for the payment of its debts, it should be sold as an entirety; but should the Committee deem it wise, or should a majority in interest of the securities in default on any of the divisional properties which may be deposited with the Committee so request, then the Committee will endeavor to secure a separate sale of such divisional property, and, if need be, to mature a plan for the purchase and separate reorganization of such divisional property.

3. That the Committee will undertake to represent in the pending litigation the interests of all the bondholders whose bonds may be deposited with them, and will take whatever steps it may deem necessary to protect their rights and secure the payment of interest according to legal priorities.

4. That the work of this Committee shall be directed and confined solely to the protection and preservation of the interests of the holders of such bonds of the various issues called for as may be deposited with the Committee.

In pursuance of this plan, the Committee hereby invites the holders of Bonds in the Richmond and Danville System, now in fault, to deposit the same with the MERCANTILE TRUST AND DEPOSIT COMPANY, OF BALTIMORE, on or after the 10TH DAY OF NOVEMBER, under the terms and provisions of an agreement prepared by the RICHMOND AND DANVILLE UNDERLYING BONDHOLDERS' COMMITTEE, and lodged with the said Trust Company, from which, or from any member of the Committee, copies can be obtained.

The Bonds at present in default are as follows:

GEORGIA PACIFIC R. R. CO. CONSOLIDATED SECOND MORTGAGE 5s.

COLUMBIA AND GREENVILLE R. R. CO. SECOND MORTGAGE 6s.

DANVILLE AND WESTERN R. R. FIRST MORTGAGE 8s.

ASHEVILLE AND SPARTANBURG FIRST MORTGAGE 6s.

CLARKSBURG AND NORTH CAROLINA R. R. CO. FIRST MORTGAGE 6s.

OXFORD AND CLARKSVILLE R. R. CO. FIRST MORTGAGE 6s.

RICHMOND AND DANVILLE CONSOLIDATED MORTGAGE GOLD 6s.

RICHMOND AND DANVILLE DEBTOR MORTGAGE 6s.

RICHMOND AND DANVILLE CONSOLIDATED MORTGAGE 5s.

The payment of \$2 per Bond will be required at the time of deposit of Bonds for the purpose of meeting the incidental expenses of the Committee.

The Committee earnestly advises and recommends the holders of the above Bonds to unite with them in this action. Your claims are enforceable, and can be maintained. If you are firm and act together, the securities guaranteed by endorsement or otherwise will doubtless be protected in any plan of reorganization which may be proposed, or if not, then you can protect yourselves. If, on the contrary, you are indifferent and neglect this opportunity, be assured that your claims will, as far as possible, be ignored.

The Committee reminds all underlying bondholders, whether their bonds have been defaulted on or not, the fact that the very best bonds in the System were attacked in the Oldfield plan, and that all indications point to an effort to force a concession from all divisional bonds for the benefit of the holders of Terminal Bonds and Stocks.
